SECTION 8 – WITHDRAWALS

The Government introduced a tax on deemed withdrawals from all ARFs (including Vested PRSA's) for individuals aged 60 (for the full tax year*) and over in 2007. There is a requirement that each year an imputed distribution (deemed withdrawal) be made from your ARF. The amount of deemed withdrawal is dependent on your age in the tax year.

For 2016 (& subsequent year, unless otherwise notified to you) the % of annual deemed withdrawal is

Age throughout 2015	Total ARF & Vested PRSA is €2M or less	Total ARF & Vested PRSA is greater than €2M
< 61*	Nil	Nil
61 – 70	4%	6%
71 and over	5%	6%

If you chose not to receive a regular income from your ARF we will automatically deduct a withdrawal, at the applicable % rate, each December and issue to you the net amount after income tax, PRSI and any other applicable deductions, unless alternative written instructions are received by us from you.

To be able to pay either regular income or the annual deemed withdrawal we need details of your nominated bank account to receive funds.
